NEWS RELEASE

30 Years of Stanfield® Heat Pads

Celebrating 30 years of service, Stanfield® Heat Pads remain the most safe, reliable, and economical heat for pets. Caring pet owners create an ideal thermal environment with easily controlled heat for their reptiles, turtles, and tortoises.

A Stanfield Heat Pad provides a warm surface that reptiles love. With Stanfield Controls, surface temperature is maintained up to 35°F above air temperature.

Our personnel are ready to help you order a size to match your specific requirements. Stanfield Heat Pads are durable, water-resistant, and UL/CSA listed. Made of non-porous materials, cleaning is easy and hygiene is assured.
